Dear Ms. Kostich:

The Nevada Gypsy RV Club had the pleasure of staying at the Desert View RV Resort this past weekend and we want to commend you for not only having a nice park and amenities but pleasant, accommodating people working there. Your park is a perfect example of how RV people are; friendly, talkative, helpful and always smiling, even folks you have staying with you are kind. Everyone visited and talked to us, invited us to participate in their activities, waved hello, just made us feel welcome. Everything was in order as we arrived; our sites ready, clean and the privacy of the Oleanders was different and helped to keep our rigs protected and private, nice. Thank your staff and your residents for everything.

The use of the club house was exceptional. We took advantage of the games (and you have so many) it's grand. There were gentlemen there fixing, replacing games, adding chairs, couches; you keep everything in good order. We had some of our members take books but replaced them with ones they had in their coaches, so thank you again. The kitchen facilities at the club house was excellent.

We look forward to returning. Thank you again.

Sincerely,
